ISLAND LIFESTYLE

## 5 very important things to know about Bali island life

1. **What are the little baskets on the streetfloor?** This are offerings to Hindu gods. an every day must and you will see many in the streets. Don't step on it – it's Bad Karma !

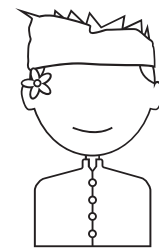

3. If you have any doubts regarding the friendly side of the Balinese people: Smile at them then you will see how gracefull they are !

5. Welcome in 1945! Yes the Balinese calendar is consisting in 8 month compare to ours.

2. Restaurants generally serve food between 12pm and 2:30pm and between 7pm to 10pm. Good to know as cooking home and eating out can be pretty much on the same price range !

4. Surfing is a mandatory course to pass your Bali grade. Just kidding, but you will see that surfing is part of the Bali lifestyle. Get your boards !

# The Do's & Don'ts

To travel like a local in Bali, here is a little guide on do's & don'ts

## The Do's

---

**L**earn 2, 3 Balinese words or expressions. It's the best thing to do to immerse yourself in the local culture...

- Terima kasih ( Thank you )
- Selamat pagi! ( Good morning )
- Apa kabar? ( How are you? )
- Baik ( I'm fine )

**S**urfers: respect priority rules when you surf. This is for your own safety.

**E**njoy the sunset at the beach is an everyday must and don't forget to smile :)

**F**or your snack break and picnics, please make sure you don't leave any rubbish behind!

**W**hen you buy products, give priority to local producers, talented designers & artists (visit a market, for example), this way, you are supporting the local community and bringing a real piece of Bali home.

**I**t is important to respect certain rules in temples as well as on the road as it might be quite different to what you are used to. Tolerance is a key to appreciation.

---

## The Don'ts

**D**on't just try ONE Balinese specialties, try them all! Nasi Campur, beef rendang and sweets. They are amazing!

**A**t the beach, in the water or in the streets, use a portable ashtray for your cigarettes butts!

**P**ossession and usage of drug is strictly prohibited in Indonesia. Such crime is punishable by imprisonment or death. Any incident related to illegal drugs will result in an immediate expulsion from the villa without compensation or refund.

**R**espect the villa staff and people on the island, at all times.

# General Information

## Loss & Damages

The villa and the furniture, fittings, facilities & equipment should remain in the same condition as they were prior to your arrival. Please check the condition of the villa when you check in and report any damages/ missing items to our staff. You could be held liable for damages or losses occurred in the villa if such happens during your stay.

## Swimming Pool Rules

Enjoy the large swimming pool in the villa. It will be cleaned and serviced 3 times a week. Please use the pool at your own risk. We highly recommend you to supervise your children at all times. Please contact us if you would like to install a pool fence for the safety of your children.

## Air Conditioning

Air Conditioning is available in each bed room in our villa. Please turn off the AC when you are leaving and ensure that all doors and windows are closed while AC is running. This way we can all together reduce our negative impact on the environment.

## Satellite TV & Sound System

The villa is equipped with flat screen TV's. If you have any problem to use it, please ask our staff assist you.

## Safety Box

To keep your valuable items safe, we provide a safety box in the kitchen. please note, that we can't be responsible for stolen or lost belongings in the villa.

## Laundry Services

We provide laundry services through a third party please ask the maid for assistance. It usually takes 24 to 48 hours, price will be calculated per piece.

## Courtesy Note

Please respect your neighbors. We ask that you keep the noise at a reasonable level, especially when listening to music, or when leaving the villa. Everyone in the district is asked to lower the volume after 10pm, as the local authorities do not accept events or parties after this time. Note for the Clubbers: there are plenty of clubs and bars in the main street steps away. Thank you for your cooperation and understanding.

## Housekeeping

The cleaning staff comes to the villa from 8 am to 3 pm every day unless you request for more privacy. Bed sheets and towels will be changed every 3 days. All the linen and towels shall remain in the property at all times.

## Smoking Policy

Smoking is strictly prohibited in the bedrooms. Please use the outside areas for smoking, ashtrays are available in the living room.

## Heavy Rain

As we are 8 degree south of the equator, heavy tropical rain can happen. Garden can seem flooded pretty fast. But don't stress, it will dry quickly once the rain stops. You are welcome to lower the joglo's out- door curtains and open the little drainage caps, located all around the garden, to evacuate the water faster.

## Internet Service

Complimentary wireless internet access is available at the villa

## Protect Bali

As a small island with limited natural resources, Bali is very fragile. We would like to protect Bali and keep it safe. In this matter, we need your support and understanding to help protect the environment :

- AC and lights off : please consider turning off the AC and lights when you are not using the space. AC will cool down the room within 15 minutes.
- We provide a water dispenser with drinkable water in the kitchen for you to use, and to help reduce the use of plastic on the island.

Note: The villa is equipped with a special water filtration system to deliver the best quality of water possible. However, we do not recommend drinking water from the tap.

## Services

On request, we can arrange: car, motorbike rental, private chef, baby sitting, massage, spa, laundry and more. Please speak to our staff for details.

## Restaurants & Places

These are our favorites around and don't hesitate to ask us for further recommendations:

Trattoria Amed, Asli Amed Restaurant and bar, Moon cafe, Safka restaurant and terrace and many more are just around the corner!

## Transportation, Activities and Sightseeing

Down south, in the busy areas, you will find many taxis on the main street. We recommend you use the “Bluebird” taxi, which is the most reliable. In more remote areas such as Amed, a private driver might be much more convenient for daily tours, please ask us for further details. For the more adventurous ones, we can help you with bike rentals as well.

## Things to do

We are happy to provide you with information about nearby places of interests, and we will help arrange transport and make bookings if needed. Feel free to ask our staff about the local area as we all live nearby. We will be able to give you insights into some of the fascinating aspects of local living in Bali. In the meantime, here are a few suggestions:

**1.** Visit Museums and Art Galleries: Explore the vibrant art scene of Bukit by visiting local museums and galleries, where you can admire captivating artworks and learn about Balinese culture.

**2.** Spa and Wellness Retreat: Pamper yourself with a rejuvenating spa session or indulge in wellness treatments offered by renowned resorts and retreat centers in Bukit. Relax and unwind while listening to the soothing rain outside.

**3.** Shopping: Discover unique treasures at the local boutiques, art markets, and souvenir

shops. From handmade crafts to fashionable items, there is something for every taste and preference.

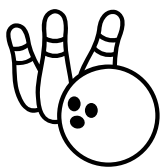

**4.** Cooking Classes: Join a cooking class and learn the art of preparing traditional

Balinese dishes. This is a great opportunity to immerse yourself in the local culinary culture and bring home new skills.

**5.** Yoga and Meditation: Engage in yoga or meditation sessions offered by

various wellness centers in Bukit. Embrace inner peace and find harmony amidst the raindrops.

**6.** Indoor Sports and Recreation: Engage in indoor activities such as bowling, billiards,

or indoor rock climbing at the recreational centers available in the area.

**7.** Cultural

Performances: Seek out cultural performances like traditional dance

shows or music concerts held in indoor venues. Immerse yourself in the rich artistic traditions of Bali.

**8.** Visit Temples:

Rainy days provide a serene atmosphere for exploring the ancient

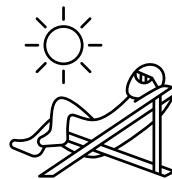

temples of Bukit. Marvel at the intricate architecture and immerse yourself in the spiritual ambiance.

**9.** Cooking and

Mixology Classes: Join a cooking or mixology class where you can learn

to create delicious Balinese dishes or craft signature cocktails.

**10.** Relax and Enjoy the Villa: If you're staying in a villa, take advantage of the

luxurious amenities. Curl up with a good book, watch a movie, or simply enjoy the tranquility and comfort of your private retreat.

Remember, rainy days can offer their own unique charm and provide an opportunity for relaxation, reflection, and engaging in indoor experiences that will enhance your overall stay in Bukit.
